ROY BOB TUTTLE

Are you plodding along as the world races by? When "your ship came in," were you waitin' at the Bus Depot? Has life dealt you a hand of deuces and threes? Has your life sunk so low you have to reach UP to tie your shoes?

My children, there's a heap of folks wallowing in the pit of despair... Stuck in a dead end job and mired in a sea of self-doubt... Taking a treadmill to nowhere... Maybe you're the complacent sort... One of the millions of "I've gone about as far I can go" types...

Oh, you may think things are just fine the way they are... You've got your life in order... You're working for a fine company and you feel like you've got that proverbial "Tiger by the tail", right...? But as my daddy always said, "Is you what you can be, or...Is you only what you is!"

I ask you to look... Look deep within your soul and answer these questions...Is that Brass Ring of Prosperity teasin' 'ya?... Hangin' out there just beyond your reach? Does your head hit the pillow every night with a little voice tellin' ya... "Almost... I almost done it today... But not quite!"

Do you slip into slumber with butterflies in your tummy because you're not sure if you really got what it takes to get you to the next level tomorrow?

Do you have that little weasel of doubt Cr-eeeeeeeping up your back just when you need to be bold and confident?

And one last question....Do you look out the window of your life every morning and see nothing but success and opportunity waiting for you?... Well, I DO...And you can, too!

You... You, my friends and neighbors, can turn your life around... Put aside your doubt and hear me out...Let the patented, copyrighted,

trademarked Roy Bob Tuttle's "Sermon For Success" Program show you how to grow money and happiness in your garden of life.

Yes, I said Grow Money and Happiness... I'll teach you how to hitch your wagon to a star and have more success than you ever imagined... Roy Bob Tuttle's "Sermon For Success" really works... You can bank on that!

Ladies and Gentlemen... Boys and Girls...Did y'all know success is as simple as 10 little letters... That's right, the difference between success and failure... Winning and losing, is 10 letters... and those are...

C-O-N-F-I-D-E-N-C-E. Confidence is the key... And you know how you gain confidence?

You get it by feelin' good about yourself... When you feel comfortable with your situation and your destination! Is you where you wants to be... Or is you outside looking in on the riches of life?

(Pause and become reflective)

Eight short months ago, a poor young gal named Sally Marble was cryin' herself to sleep in Union City, Tennessee. Her hubby, Carl Marble, had just run off with a hussy he picked up at Dooley's Tap. Sally was left with a mortgage on their five acre dirt farm... Car payments on a '96 Plymouth... And a Visa card that was tapped out and over-extended. No family to turn to... No skills to fall back on... No experience to speak of... Sally was in desperate straits, my friends.

One fateful night... Just minutes before her "Evereadys" ran out of power, her transistor radio picked up the broadcast of Roy Bob Tuttle's "Sermon For Success." As Sally looked up at that starless night sky, she saw light at the end of the tunnel. Light that changed her life.

Looking under the cushions on the couch...and feeling through the edges of the Lazy Boy, she rounded up \$49.95 in loose change. Then, hocking the wedding band Carl gave her for a 32 cent stamp, Sally made a decision that would make all the difference in her world.

In the ten days it took for the U.S. Mail to deliver the Roy Bob Tuttle "Sermon For Success" package, Sally learned to read with the help of a neighbor.
